should be investigated)

Obregon: can we keep some of our furniture?

Mr. R: Yes, teachers will label similarly to what is done during the summer. Technically, we do not have to rid our site of any furniture.

N: bathrooms? The girl's bathroom by mariachi is nasty

Mr. R: Bond money should be something tangible. I want the students to see and touch what the money is bringing in. Will discuss again with district about the bathroom quality.

In response to Tully report on exams coming up:

Damaris: Will all seniors be required to take the ASVAB?

Ms. Tully: Yes, clarified that information will not be shared involuntarily to military. Mr. R. clarified further that the testing improves the school grade and can show individual achievement

Dr. Reyes: Transportation to AP exams last year created issues. Will there be better coordination?

Ms. Tully: Yes, this has been solved and handled.

In response to Mayersohn tutoring update:

N: Is there specific tutoring offered for Title 1?
