English; ELA 12% 10th grade 10% proficiency 11th grade 10% proficiency. Benchmarks are being dissolved next school year. Testing will move toward short cycle assessments. Mr. R will be meeting tomorrow will the District's Math Department to get a jumpstart on what these assessments will look like to be better prepared.</p> <p>Update on Accreditation & ADE: Passed without issue. ADE visit was cancelled due to Mr. R off campus.</p> <p>Questions: Parent comment; appreciate the efforts of continuing to work toward working with the Math department(s) as it is an essential part of life.</p> <p>Mr. R: we will continue to add support and better our Math teachers. Out-of-Duty Math support is also available.</p> <p>Discussion followed with Ms. Ladriere and Mr. R.</p> <p>Ms. Love: Mr. Jolly offers tutoring; can we figure out if the students take advantage of that? Would like to know with those types of things already being offered, how do we get students to participate? What have the Math teachers said about the Benchmarks and or moving toward the assessments? A: Mr. R will work with the District to learn the testing requirements and how to better prepare.</p> <p>Mr. R clarifies that the benchmark scores and or assessments to come just show us that work is to be done. Not to downgrade the teachers and or students.</p> <p>Mrs. Santos: Fully support the Math interventions for students.</p> <p>Is the record or information to show how the 8th grades that come to take the Algebra are doing?
