II. Emergency Meeting to Discuss renaming of two areas at Pueblo in Honor of the late R. David Montano

DISCUSSION NOTES	Per governing board policy, we must formally ask for permission to commence the process to name spaces on the Pueblo campus after Mr. David Montano, long time Pueblo employee. The two spaces under consideration are "David's Lounge" and "Montano's Place." David's Lounge is a retrofitted teacher lounge with incredible AC, new couches, carpet, seating, etc. It has turned into an amazingly comfortable space that teachers are already calling David's Lounge. His picture is already up, and we have ideas to enhance it further. Montano's Place will be in the counseling area, he designed a room where students can visit for Social and Emotional purposes throughout the day. Although it isn't complete, we have everything to proceed, and anticipate opening in the fall. We feel that each space embodies the spirit of Mr. Montano. -Pre-Submitted by Kathryn Gunnels through email.
