The Arizona State Department of Education annually ranks schools by assigning them a school grade. Currently our school has a school grade of **C+**

School grades are based on:

- The percentage of students who passed the AZ Merit exam.
- The percentage of students who obtained the expected (or better) academic growth.
- Additional factors such as the percentage of students evaluated, the graduation rate, reclassification of English language students.
- Title I funds help our school maintain / improve our school score by improving student achievement through the strategic use of federal funds.
